### Testimonial for 1<sup>st</sup> Site Group

We have worked closely with 1<sup>st</sup> Site over the past six months to complete a full external refurbishment of 12 mobile classrooms. I would like to say it has been a great success and we are extremely pleased with the outcomes because:

1. Quotes were accurate and in line with our expectations.
2. Agreements about how and when work would be carried out were maintained through a 2 month project.
3. Regular communication on a daily basis was kept with the on-site manager who ensured his workforce remained flexible to our requests.
4. All staff from 1<sup>st</sup> Site were supportive and worked well with our pupils in occasionally crowded areas.
5. 1<sup>st</sup> Site were very flexible and responded quickly to any additional extras requested – both in quote and action.
6. The quality of workmanship and outcomes were excellent.

I was exceptionally pleased with the whole experience and the process from start to finish. I can recommend without hesitation 1<sup>st</sup> Site as a first class contractor. If you wish to discuss this work further do not hesitate to contact me (0121 421 7979).
